# CONGRATULATIONS TO STUDENT WINNERS OF THE GSU LIBRARY SCAVENGER HUNT!!!!

Students, Yoselyne Carrera and Cynthia Rodriguez, were the two winners of the GSU Library Scavenger Hunt backpacks filled with GSU Gear, on August 31. When Yoselyne came to the library to pick up her backpack she commented on how excited she was to go on the library scavenger hunt. “I really like mystery and puzzles,” she said. “It was like taking a fun campus tour. I encourage all students to do this the next time. It never hurts to learn more about your campus,” she offered.

“I was having a difficult time getting motivated to come back to school after the summer break,” said Cynthia. “As it turned out, this was exactly what I needed. It was fun. I would recommend that students go on the scavenger hunt next semester because it required exploring other areas of GSU as well as the library,” she encouraged.

“We wanted to offer students an enjoyable way to learn more about the library as well as our partners that donated GSU gear to the backpacks,” said Diane Nadler, Library First Year Liaison. “The student response was so very positive, in terms of not only learning more about the library, but other destinations around GSU as well, that we are planning to offer another scavenger hunt for students next semester,” she promised.

We in YOUR GSU Library would like to thank our partners including: Office of the President, Office of the Provost, Office of Enrollment Management, The Center for Performing Arts, Student Life, Athletics, and the GSU Bookstore for the generous contributions of GSU gear. The backpacks were full!!!
